COMMODORE'S REPORT

We have openings in the club for full memberships and would love to welcome some new members to the club. If you have friends or family who might be interested, spread the word! Now is a great time to apply and get involved before boating season.

As a reminder, we ask all members and guests to follow the club's rules. Following these helps keep the grounds safe and enjoyable for everyone. You can find a link to club rules in the bottom left column.

This summer we will be trying a new event: Family Days. On these few select days, members will be able to bring more guests than usual. It will be a fun opportunity to share the club with friends and strengthen connections among our members. We will send out dates in advance.

YEOMAN

Our next event is the spring setup/shade structure setup on May 31st. We encourage you to come down to the club and help get it ready for all to enjoy this summer!

Looking ahead to our 2027 board, we'll be looking for two first-year directors and a yeoman. We're sharing this early so everyone has the year to consider stepping into one of these roles.

TREASURER

Invoices for dues have been sent. If you plan to drop membership be sure to email the board so we can arrange for the return of your keycards. Please also email the board if you haven't seen an invoice come through.

MEMBERSHIP

Children of members are junior members only if they meet the following 3 requirements: under 21, unmarried, and living at home. If not, they are guests and eligible for their own membership. Applicants that are children of active

GENERAL MEETING INFORMATION

February's meeting was held at fire station 11. General member, Willy Giddings, was present. Board members present were Kyle, Ryan, Amber, Angela, Mark, Lance, Connor, Amanda, and Derek.

March's meeting was held at Checkpoint 221. Board members present were Kyle, Amber, Angela, Mark, Amanda, and Derek.

OLD BUSINESS

Due to the terms of our lease we members are not allowed to bring fuel onto the SYBC property and/or refuel boats or jet skis anywhere on boat club grounds or beach. This includes changing oil or working on engines. We recognize that this may be an inconvenience but the "hazardous materials clause" in our lease requires the club to be responsible for any environmental cleanup which could cost tens of thousands of dollars from accidental spills. It's simply not worth the risk. If you have fuel on the property please remove it immediately.

To receive text message updates and reminders for events from the boat club text the word JOIN to [971-240-5494](tel:971-240-5494).

Join our members only private [SYBC Facebook group](#).
