COMMODORE'S REPORT

May 1st was the official start of boating season. All members and guests are required to follow SYBC rules. Following these helps keep the grounds safe and enjoyable for everyone. Here is the link to [club rules](#). Please take the time to refresh your memory.

We would love to welcome some more new members. If you have friends or family who might be interested, spread the word. Now is a great time to apply and get involved this summer!

This summer we will have a few select "family days" when members can bring more than the allotted 5 guests. It will be a fun opportunity to share the club with friends and strengthen connections among our members. We will send out dates in advance.

Don't forget that you can also prepay for [extra guests](#) on any non-holiday weekday.

YEOMAN

Our spring and shade structure setup is coming up in a few days on May 31st at 9am. We encourage you to come down to the club and help get it ready for all to enjoy this summer. If you have them, bring: blowers, rakes, pruning shears, shovels, weed eaters, wheelbarrows, and gloves. Pizza will be provided for everyone after. Helping at this setup/cleanup will count toward participation hours.

TREASURER

Invoices for dues have been sent. If you plan to drop membership be sure to email the board so we can arrange for the return of your keycards. Please also email the board if you haven't seen an invoice come through. Now that it's boating season, keycards have been deactivated for members with unpaid dues.

MEMBERSHIP

Children of members are junior members only if they meet all 3 of the

6. James & Diane Sturdivant

GROUNDS/MOORAGE

As a reminder, members with moorage are responsible for keeping their moorage areas clean, orderly, and properly maintained throughout the season. We appreciate everyone doing their part to help keep the club looking its best for all members and guests. Here is a list of **approved moorage items**.

GENERAL MEETING INFORMATION

April's meeting was held at Checkpoint 221. Board members present were Kyle, Ryan, Amber, Angela, Mark, Lance, Connor, Amanda, and Derek.

May's meeting was held at SYBC. Board members present were Kyle, Ryan, Amber, Angela, Mark, Connor, Amanda, and Derek.

OLD BUSINESS

Due to the terms of our lease, **members are not allowed to bring fuel onto SYBC property** or refuel boats or jet skis anywhere on boat club grounds or the beach. This includes changing oil or working on engines.

We recognize that this may be an inconvenience but the hazardous materials clause in our lease makes the club responsible for any environmental cleanup resulting from accidental spills, which could cost tens of thousands of dollars. It simply isn't worth the risk. If you currently have fuel stored on the property, please remove it immediately.

To receive text message updates and reminders for events from the boat club text the word JOIN to **971-240-5494**.

Join our members only private **SYBC Facebook group**.
